The Lumina Crest

Bel Air Crest Road, Los Angeles

FIGURE 1.0 — PRIMARY FRONT ELEVATION FACADE

An uncompromising contemporary statement integrating structural architectural lines with extensive, clear scenic overlooks.

Living Horizons

The architectural format intentionally bridges indoor comfort with sweeping exterior context viewpoints. Formal main salons merge gracefully directly into zero-edge terrace decks, forming broad visual pathways across the city coordinates below.

Every choice layer embodies select custom structural selections, reflecting unmatched architectural focus and tailored finishing accents throughout the primary living envelopes.
