The Obsidian Estate

Highland Crest, Pacific Palisades

VANGUARD ESTATES

Private Brokerage & Advisory

The Residence

Perched majestically above the coastline, The Obsidian Estate represents a masterclass in clean minimalist architecture. The structure synthesizes rough-hewn structural stone matrices along with sweeping spans of insulated framing glass, establishing an unbroken visual dialog with the surrounding marine horizon. Every interior transition has been deliberately scaled to maximize natural lighting parameters while ensuring optimal spatial intimacy.

SPATIAL LAYOUT	6 Bedrooms, 7.5 Architectural Baths
INTERIOR AREA	8,450 Square Feet (Calculated Footprint)
SITE ACREAGE	1.42 Premium Coastal Crest Acres
INCLUSIONS	Subterranean Vault, Infinity Thermal Pool, Private Sommelier Cellar

CURATED INFRASTRUCTURE ELEMENTS

- Automated environmental climate zones featuring concealed baseline venting arrays.
- Custom continuous concrete stone slab island elements curated in northern Italy.
- Integrated smart-security biometric portals surrounding perimeter entries.
- Landscaped open-air courtyard showcasing native drought-tolerant flora.
